**Precautionary Action for Native Village of Tuntutuliak
EFFECTIVE 03-19-2020
(Amended 04/13/2020)**

1. a. All travel for non-community members coming into the Native Village of Tuntutuliak is suspended for persons traveling from Anchorage including travelers from the surrounding villages and outside the State of Alaska (non-business travels as well as business travels) until further notice.
(Exceptions: Persons that are residents of Native Village of Tuntutuliak that are attending to further their education away from the community are excluded for the above stated. See #2 for required action to take.)

b. All pass through travel by snow machine/ATV from the surrounding villages including Bethel is prohibited as of the 7th of April. Qinarmit Gas Station will not be selling gasoline to surrounding village travelers. Please respect and follow the precautionary actions for this community and as well as other communities when traveling.

c. Emergency Exception (Qamigaq time) – For people that were originally from Tuntutuliak, we are accepting them to stay with their immediate family (1 house) but are not to go anywhere else within the community. That household will have to self-quarantine following #2 below.

d. We are not allowing customers from other surrounding villages to go to the local stores until further notice.

e. Travel is permitted for medical reasons and subsistence activities for the community members from Tuntutuliak but are urged to take precautionary measures. Remember to follow the 6 feet away from each other. (See #2 for required action to take).
2. 14 day self-quarantine requirement for individuals that travel out from the community for a night or more is to be followed by all until further notice. This includes all family members that reside in the same household.
3. As of 04-07-2020, we are issuing citations for people traveling in to Tuntutuliak from Bethel or surrounding villages. We will also be issuing citations for Tuntutuliak residents traveling for non-subsistence and non-essential reasons. There will be a fine of \$1,000.00 for individuals when cited. For a repeated citation, another citation will be given and their vehicles will be impounded for the same individuals (impound fee for vehicle is at \$250.00). The impound fee will have to be paid in order to take out their vehicles.

4. There will be no social gatherings held for the Tuntutuliak Traditional Council until further notice. Limit gathering of more than 10 people. Stay at least 6 feet away from others in public places.
5. Employee's that are sick (coughing, sore throat, fevers) are to stay home to prevent the spread of the flu/virus.
6. Curfew for school age children is at 9:00 pm every night including weekends until further notice. Parents are encouraged to enforce the curfew hours to their children.
7. We are urging parents and children to stay home instead of visiting other households for the safety of the community. When children are playing out, inform them not to go anywhere else but stay out by your residence. Avoid playing with other Children/teens. This is for the protection of the virus spreading.
8. We are urging community members to limit their amount of grocery/supplies shopping in consideration of other community household members. The local stores are restricting minors under the age of 18 to go to the stores as of 4-07-2020. The local store hours including any other decisions made are solely under the Qinarmit Corporation, Qinarmit Gas Station and Paul Andrew Trading Post.
9. All community members of Tuntutuliak are required to use face masks (covering nose and mouth) when going to the local stores/gas station. You are also urged to use the masks when outside your residence or when traveling for the protection of yourself and family members.
10. The community building is closed to the public for the protection of the employees that are working. For any services that need to be done through the office(s), call in to make payments over the phone for paying on accounts. You can drop off your papers if need to be faxed or signed.
11. Local clinic will be in operation under the discretion of Yukon Kuskokwim Health Corporation.
12. As a reminder, ALCOHOL is prohibited within the Native Village of Tuntutuliak as it is a dry village. This is for the health and safety of our community members.

Tuntutuliak Traditional Council is looking after the well-being of our community. This is to protect the safety of our people. This emergency precautionary action will be updated periodically as needed.
