Due to the fact that an emergency exists due to COVID-19, in that Alaska has surpassed a record number of COVID-19 cases for the last several days, Alaska hospitals are at near capacity and due to the fact that the new variant "MU" has reached Alaska and the Yukon Kuskokwim Delta (YKD), and due to the fact that 37.2% of Pilot Station's population (of 604 based on 2020 census) is fully vaccinated, and the fact that the Yukon Kuskokwim Health Corporation (YKHC) has stated YKD is rated as "High Transmission" (website: <https://www.ykhc.org/covid-19/>), the City of Pilot Station, by this Emergency Order therefore Declares a facemask, face covering mask mandate for all people in all public places within the Pilot Station City limits.

THEREFORE BE IT ENACTED BY THE PILOT STATION CITY COUNCIL ON SEPTEMBER 17, 2021 AT 7:00 P.M. AS FOLLOWS:
